

Paediatric applications of functional electrical stimulation (FES) powered systems

General Information

Walk on Gym, University of Sydney

Faculty of Health Sciences, **Cumberland Campus C42**

75 East Street Lidcombe NSW 2141

From the Sheraton on the Park

- Catch the train directly from Town Hall Station to Lidcombe Station
- The walk from Lidcombe Station to the Cumberland Campus is approximately 20-30 minutes. We recommend using the following bus services:
 - Metrobus M92 service (Parramatta to Sutherland via Cumberland Campus)
 - 915 bus (Lidcombe/TAFE/University) service

Bus stop locations

- Lidcombe Station on the eastern Commonwealth Bank side
- Cumberland Campus:
 - Going to Lidcombe: Bus stop is located outside Gate 1
 - Travelling from Lidcombe Station: Bus stop is on East Street, opposite Gates 1 & 2.

For further information or alternate routes please visit, www.131500.com.au

Parking

Free parking is available through Gate 2, off East street

What to bring

Please ensure you wear or bring appropriate clothing for participating in an FES systems session:

- Shorts for leg cycling
- Tank tops for arm cycling
