Early Bird Deadline | **13 July 2015**

The Organising Committee extends a warm invitation to all nurse practitioners and those interested in advanced nursing practice to attend the 10th Conference of the Australian College of Nurse Practitioners, to be held in Melbourne from 6-8 September 2015. The 6th Australian Emergency Nurse Practitioner Symposium, will follow ACNP, from 9-10 September 2015.

The conference theme ***Celebrating the Past and Embracing the Future***, aims to consolidate past learnings and focus on new directions.

Program themes include

- Acute and emergency care
- Primary Care
- Private Practice
- Chronic Diseases
- Professional Issues
- Leadership and research

The conference provides an opportunity for delegates to come together from a wide variety of backgrounds to share information, exchange ideas and network with others.

Albert Park, Melbourne

Celebrating the Past and Embracing the Future

Invited Speakers

Professor Paul Bennett

is the Foundation Professor in Translational Research at Western Health-Deakin University Partnership. Paul's research focuses on strategies to improve the quality of life of people with chronic and end stage kidney disease using resistance and aerobic exercise, laughter therapy, home dialysis, e-learning, communication techniques, imagery & workforce models.

Dr Robert Crouch

OBE, RN, PhD, FRCN, FCEM (Hon) Consultant Nurse, University Hospital Southampton / Southampton University, Faculty of Health Sciences & Visiting Professor, University of Surrey. Dr Crouch works clinically within the Emergency Department and in the pre hospital setting as a HEMS Consultant Critical Care Practitioner.

Dr Karen Sue Hoyt

PhD, RN, FNP-BC, CEN, FAEN, FAANP, FAAN, is an ENP at St Mary Medical Center in California. She was formerly Director of the Masters Entry Program in Nursing at University of San Diego and established the first US Advanced Emergency Nursing Journal with Lippincott.

Professor Claire Rickard

is from the Alliance for Vascular Access Teaching & Research or AVATAR Group at the NHMRC Centre for Research Excellence in Nursing Interventions at Griffith University in Brisbane. She is an Honorary Fellow at the Royal Brisbane and Women's, Prince Charles and Princess Alexandra Hospitals.

Ms Lee Thomas

is Federal Secretary of the ANMF and her priority is to ensure that the voices of nurses, midwives and nursing assistants are heard. Improving the lives of all those in the nursing and midwifery family is paramount to Lee and remains her major goal.
